

PROCEDURE WSD601

WINOOSKI SCHOOL DISTRICT EMERGENCY CLOSING OF SCHOOLS

In a school district where the majority of the students are walkers, it is ill-advised to have an early dismissal of a session already in progress which has not previously been announced. Therefore, whenever school is to be closed for weather purposes, the following procedures will be adhered to:

- a) The decision not to hold school or to have a delayed start for the day should be made by 6:00 a.m.
- b) The announcement should be made to the general public via the news media/radio by 6:30 a.m.
