Friends and Neighbors,

As ever, I want to start by thanking the voters of Winooski for your strong and continued support of our schools. That support was particularly evident last budget season, when you supported a district budget that included significant investments, such as doubling the size of our PreK program, even though there were so many unknowns about how it would affect tax bills. With the changes from the Legislature's Act 127, we knew the tax rate would likely go down (and it did), but what was more difficult to predict was how the citywide reappraisal then in process would affect individual property owners.

Now we have a very good understanding of that. Despite Winooski's homestead education tax rate dropping nearly 90 cents last year, with the average property value in the City more than doubling, 50% of homeowners who pay based on their property values saw their education tax bill increase by 11% or more. Very few homeowners in Winooski saw their *bills* go down, despite the historic decrease in the education tax *rate*. Although property values are not something the School Board has control over, we are very aware that increases like that are not affordable or sustainable for anyone.

We took this reality to heart as we began our FY26 budget discussions. We also were very aware of ongoing statewide discussions around Vermont's education costs and financing system, as well as the fact that recent projections show Winooski's student population declining over the next decade. We approached this budget season cautiously, requesting three budget scenarios from the administrative team to begin our discussions: a 0% budget increase; an inflationary increase only (estimated at 2.4%); and a "level services" budget (~7.2%).

You may wonder why it would be so hard to get to a budget with little or no increase, or why the level services budget and 0% increase budgets aren't the same. That's because there are so many cost increases each year that the Board and district administration have little control over. For Winooski this year, that included things like the loss of \$300,000 in IDEA B grant funding, increased building and maintenance costs, inflation generally, and a 12% increase in health insurance costs. This is the third year in a row of double digit increases in health insurance costs.

After seven Board meetings, and with the input and support of our wonderful Budget Buddies, on January 8th we adopted a budget near the middle of these scenarios, with an increase of 4.13 percent. To get to that number, the administration has identified approximately 1.5 million in savings through reductions and shifts in operations. We do not anticipate these reductions will have a major negative impact on general education quality or opportunities. With the numbers we currently have from the state, this budget should result in an even homestead education tax rate or a slight decrease compared to last year. As always, state numbers are subject to change depending on what the Legislature does this session.

I hope we can count on your support for this budget on Town Meeting Day (March 4th)! We strongly believe this budget balances the realities of the current moment with the educational needs of Winooski's children and we hope you'll agree. Please don't hesitate to reach out to us with any questions or concerns.

Sincerely,

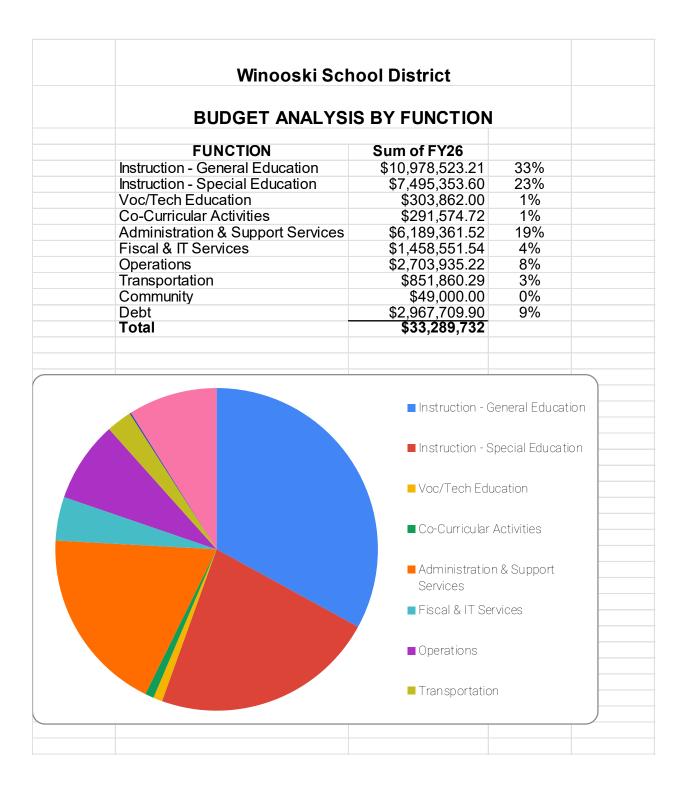

**Robert Millar** Board President Winooski School District

### Winooski School District (WSD) Annual Treasurer's Report 01/21/2025

Winooski Residents,

As outlined in the Winooski Charter, as your Treasurer I am to "prepare an annual report," and I'm delighted to share an update on the District finances and processes. The rest of this packet contains detailed information put together by Sarah Haven, Director of Finance and Operations (DFO), and the audited financial statements for FY24 prepared by auditor RHR Smith & Company, CPAs. Here is a brief narrative synopsis:

<u>Audit:</u> As of this writing, the draft audit from RHR SMITH & Company, CPAs has been shared with me and the Board Finance Committee, and I can report the following:

- The General Fund reported excess expenses of **\$150,770.00**
- The fund balance for the General Fund was **\$1,056,229.00** as of **June 30, 2024**.
- The Food Service Fund ended the year with a fund balance of **\$531,308.00**.
- The Capital Projects Fund ended the year with a fund balance of **\$582,935.00**

### **Quarterly Reviews**

I reviewed all quarterly Financial Management Review (FMR) reports by the DFO to ensure they accurately reflect the District's finances.

### Bank Reconciliation

I reviewed and checked all bank account reconciliations to ensure monthly completion by the DFO.

### Fraud Prevention

I reviewed and checked weekly that all disbursements from our General Fund and Capital Fund were uploaded via Positive Pay, a fraud prevention service provided by M&T Bank.

### Treasurer Update

I am writing to inform you that in November 2024, I was appointed as the interim Treasurer for the Winooski School District, following the resignation of Matt Francis. I am honored to serve in this role and to support the financial stewardship of our school district.

As a proud Winooski School District alum, a current parent, and an employee of the district, I am deeply invested in the success of our schools and community. I hope to continue to serve in this capacity and to contribute to the ongoing growth and success of our district.

### FISCAL YEAR 2026 ADOPTED BUDGET

Our operational budget is increasing by 4.13% which counts for only a little other than inflation. We made reductions in our staffing and services to avoid a higher increase, and we hope that these reductions are strategic so to not substantially impact the quality of the education our students receive. The Homestead Tax Rate is projected to slightly decrease. Because of a lower number in weighted pupils, our spending per weighted pupil is inflated to 13%, despite a much lower actual increase in budget.

### Impact of Proposed Tax Rates Without Tax Credits

Contingent upon legislative action later in the session, Winooski's Homestead Education Tax Rate is projected to see a slight decrease of 1%. The chart on the right reflects the projected tax amount changes according to the home price.
