JFK to Welcome a PK–5 Assistant Principal: We Want Your Voice in the Process!

We're excited to share that JFK will be hiring a PK–5 Assistant Principal for the 2025–2026 school year! This new role will help support our students, staff, and families across all grade levels. To fund this important position, we will be reallocating resources by reducing a position at the district office.

As we move forward with the hiring process, we're committed to including a broad representation of stakeholders. We believe that family voice is essential in this process, and we'd love to have your involvement!

If you are interested in participating or would like to learn more, please reach out to Maybeline Lopez or Sara Raabe directly or connect with your liaison.

A Standing Ovation for Our Spring Concerts

We want to extend our heartfelt thanks to Mrs. Sara Poland, our incredible music teacher, for her dedication, creativity, and countless hours of work in preparing both the K–2 and 3–5 spring concerts. From song selection and rehearsals to organizing the final performances, Mrs. Poland brought joy, energy, and music into the hearts of our students and school community. Her passion for music education truly shines through in every note and movement on stage.

Thank you to all the families who joined us to celebrate our students' hard work and talent—it was wonderful to see so many of you there! And a huge congratulations to our students for their amazing performances. Your confidence, teamwork, and joy were on full display, and we are so proud of each and every one of you. Bravo!
