## **We Want Your Feedback – Complete the School Climate Survey!**

We want to hear from every JFK family! The School Climate Survey is a short questionnaire that helps the JFK Leadership Team and the district understand how well our school is supporting students, families, and staff. Your honest feedback makes a real difference – please take a few minutes to complete it before June 5th. It is available in English and Spanish below. For families who speak other languages, a school liaison will be reaching out to you directly by phone.

## Book Fair

The Scholastic Book Fair is coming up! Our spring fair will take place during Parent/Teacher Conferences on May 7th and May 8th. To better support our teachers and instructional time, the book fair will *only* be open during the conferences, not during the school day.

[You can set up an e-wallet for students here.](#) Please note while the Scholastic website says May 4th to May 8th, the book fair will only be available during conferences on May 7th and 8th. If you have any further questions reach out to Assistant Principal Jarod Wunneburger: [jwunneburger@wsdvt.org](mailto:jwunneburger@wsdvt.org)

The team that raises the most money will get to come to school in their theme costume for a day! Students can vote by bringing in spare change and adding it to their favorite team's bucket in the main lobby. Students have been told they need to check with an adult at home before bringing in any change. Let's have fun and make a big difference together!
