## **We Want Your Feedback – Complete the School Climate Survey!**

We want to hear from every JFK family! The School Climate Survey is a short questionnaire that helps the JFK Leadership Team and the district understand how well our school is supporting students, families, and staff. Your honest feedback makes a real difference – please take a few minutes to complete it before June 5th. It is available in English and Spanish below. For families who speak other languages, a school liaison will be reaching out to you directly by phone.
